Stand out from the crowd

Tampere Trade Fairs Ltd. offers versatile marketing options to successfully boost the visibility of an exhibitor, in order to guarantee the maximum exposure of an exhibition. All additional visibility products available are customized and tailored based on the individual needs of an exhibitor.

Additional Visibility

Product offering for additional visibility is extensive, with many levels of cost and varied options. As an example, when opting for additional visibility an exhibitor can either set up a café to truly reflect the company brand, place their logo on the event map or stand out from to crowd with a seminar sponsorship.

Other additional visibility products include

- » Neckbands
- » Banderoles
- » Coatroom tickets
- » Expo bags
- » Banner advertising
- » Restaurant table stands
